

MYC Youth Sailing Camps

***Learning to sail is a skill that can be enjoyed for a lifetime!
Sailing is also a great platform upon which to learn about
physics, biology, math, engineering, the environment, etc.***

The Youth Sailing Program at Melbourne Yacht Club offers sailing camp for beginner sailors ages 8-18. The program integrates shore-side STEM activities related to sailing with on-the-water sailing experience. Topics include wind, weather, boat design, buoyancy, marine pollution, safety, knots, and more!

Summer STEM Sailing Camp
